THE VICTORY HORASIS INITIATIVE

REQUEST FOR PERMISSION TO CONDUCT A TEENAGE EMPOWERMENT SESSION

Tutor-General / Permanent Secretary,

Lagos Education District VI,

Oshodi-Isolo, Lagos, Nigeria.

14th October, 2026.

Dear Sir/Ma,

Team Victory is a nonprofit organization committed to reviving and empowering teenagers' sight across the globe through God's truth and the ministry of help. Our vision is to inspire young people to discover their identity, maximize their God-given potential, and become responsible leaders who positively impact society.

We respectfully request the opportunity to organize a motivational and character development session for the students of **Babs Fafunwa Millennium grammar School and Babs Fafunwa Senior Secondary School.**

Activities planned

•Speaking engagement- The Giant Within: Discovering Potential

•Idea Sponsorship Initiative of Two Students and Sharing of Our Form

•Proposed Date: October/November 2026

The session is designed to encourage students to develop a positive mindset, embrace strong moral values, pursue academic excellence, make responsible life choices, and recognize the unique potential they possess to fulfill their purpose and contribute meaningfully to society.

We would be grateful for the opportunity to partner with your school in shaping the next generation of leaders. We are willing to work with your administration to schedule the program at a date and time that is most convenient.

Thank you for considering our request. We look forward to your favorable response.

Yours Faithfully,

Lawrence-Nwachukwu Favour

About The Victory Horasis Initiative

Vision
To revive and empower teenagers' sight across the globe through God's truth and the ministry of help.

Mission statement
To instill in teenagers;
•Knowledge of God
•Understanding of their Identity in God
•An awakened consciousness of the potential God has placed within them to fulfill their purpose

Our Impact
Our impact includes reaching over 100 young people through outreach and engagement, supporting students with WAEC fees, school fees, textbooks, and uniforms, and creating spaces where teenagers receive encouragement, guidance, and access to the support they need to thrive.

We believe that every teenager deserves the opportunity to see beyond their present circumstances, discover who they can become, and receive the help they need to move towards that future.

TVHI at Top Class College, Ondo State (2024)

Team Victory Horasis Initiative (TVHI) engaged students in discussions on purpose discovery and career development, helping them think about their potential and future aspirations. The

initiative also sponsored WAEC fees for five female students, providing practical educational support to help them pursue their academic goals.

TVHI at Ajuwon High School, Ogun State (2025)

Team Victory Horasis Initiative (TVHI) held a speaking engagement themed "My Agenda, My Plans," encouraging students to reflect on God's plan for their lives, and recognise their potential. Beyond the engagement, TVHI provided educational support by paying school activity fees for five students and WAEC fees for one student. The initiative also donated school uniform, textbooks, and exercise books to support students' learning and educational development.
